RiverFest 2018 was a huge success! The day was sunny and warm with enough breeze to make it a superb day on and around the water. Many folks ventured out on the water in kayaks, waded in the water and swam about, and took part in the many shore side activities. Highlights this year were the live birds of prey—including a cute burrowing owl, the many touch tanks with live snakes, fish, and oysters, and the annual wade-in led by Joe Anderson and Bob Lewis—and assisted by Deb Rey and Brian Cosby. Fun was had by all! Thank you to our event attendees, volunteers, and supporters!!
